

**Howe HS Students and Parents:**

As you know HISD schools will be closed next week and possible weeks after that. Howe ISD will make that decision on a weekly basis going forward. We will begin the week of March 23 with "In Home Instruction." With that being said I hope everyone is staying safe and well. This is a different experience for everyone involved and we will do the best we can to get through this situation. My suggestion is for students to put themselves on a daily schedule and commit to completing their work each week.

**In Home Instruction:** These may be accessed either through the Howe ISD web site or by paper packets available for pick up each Monday. There are two options.

**Online Option:** Go to the Howe ISD web page under the student tab to the Canvas page. On that page you will find assignments and resources to help complete those assignments. These are comparable assignments as what is in the paper packet. Students using the online version will need to submit work through Canvas. Or may print, complete the assignments and drop off at Howe HS at the designated assignment drop off/ pick up time. Please feel free to email or message your teacher with questions on assignments.

**Paper Packet Option:** Students who prefer the paper packets or have limited internet access at home may pick up their lessons (and drop off completed lessons) each Monday at the HHS office at the times listed below. These packets are comparable to the online assignments, if not the same.

If you have questions about your assignment or need help please email your teachers. There will also be an administrator or counselor at the High School to answer other questions as well during packet pickup/ drop off.

**Assignment drop off/ pick up location and times: Each Monday at the Howe HS Library.**

**7:00AM – 9:00AM**

**11:00AM-1:00PM**

**4:00PM – 6:00PM**

**Thank you,**

**Phil Kempson  
Howe High School Principal**
